MEMORANDUM FOR: Director of Security
FROM: Director of Central Intelligence
SUBJECT: Distribution of CIA Access Control Badges
REFERENCE: Your memo, dtd 9 August 1978, same subject

[redacted] commercial.

b. I have no connuctions whatsoever of putting the
[redacted] 25X1
this is all a part of a general tightening up in the
wake of Kampiles.

c. I assume from what you say that there are only
six former DCIs, one former secretary, and two retirees
who have passes. In short, if I asked a retiree to come
into the building to see me, you can assure me that he
is going to have to obtain a visitor's badge.
